Was in Race With Death From Phoenix to San Marcos.

Jack Owen, 20 years of age, and a native of San Marcos, Tex., lost his race with death when he tried to reach home before consumption with which he was afflicted would end his life.

He died on the Southern Pacific train No. 8 while en route from Phoenix, Ariz., to his old home. Death occurred somewhere between Straits and El Paso, and at El Paso corner E. B. McClintock viewed the body.

## FORMER MAYOR OF CIUDAD JUAREZ DEAD

Guillermo Alvarez, former mayor of Ciudad Juarez and many years a prominent merchant of that place, died shortly before midnight Thursday at 505 Second street, where he had been living since the Vassaluta revolution. Funeral services will be held at 5:30 Friday afternoon at the Sacred Heart church in El Paso, after which the body will be removed to Juarez, where services will be held Saturday morning at 9 o'clock in the Guadalupe mission.

Senor Alvarez has been ill for three months, but his death was not expected, and comes as a surprise to his business and political associates. He served as "jefe politico" of Juarez immediately after the removal from office of Juan N. Medina, during the Maderista regime in the state, he being appointed by ex-governor Abraham Gonzalez. He was re-

moted by the riots which preceded the outbreak of the Vassaluta revolution, now being led by Gen. Pascual Orozco. Alvarez, owned the "Uncle Sam" saloon in Juarez, and conducted a grocery store on Calle Comercio.

Surviving the ex-mayor are a widow, three sons and two daughters.

**RICHARD LOWE.**  
Richard Lowe, age 15 years, died Friday afternoon at 1:30 o'clock at the home of his parents, Mr. and Mrs. E. Lowe, 814 Myrtle avenue. Arrangements for the funeral have not yet been made.

**G. W. CAMPBELL.**  
G. W. Campbell, a native of Texas, died at Camp, 5 miles south of Bowie, Arizona, on the morning of the 5th. His death was sudden. He has many friends in El Paso and a stepfather and sister somewhere in Texas.

**THE BROKEN WINDOW.**  
While carrying a ladder through the crowded market district on Saturday evening a man, who had seemingly been indulging in various liquors, was so unfortunate as to break a large plate-glass window. Dropping the ladder the man dashed down the street as though Satan himself was pursuing him. But the shopkeeper had seen him, and after a chase of several blocks, caught him.

"See here," exclaimed the shopkeeper, after he regained his breath, "do you know that you broke my window?"  
"Sure I do," answered the frightened man, "and didn't you see me running home to get some money to pay for it?"

## TELLING THE STORY OF Duffy's Pure Malt Whiskey

## The World's Best Tonic Stimulant and Medicine

**ABSOLUTELY PURE**  
This has been proven by doctors and chemists time after time. It is manufactured from specially selected and cleaned grain in a plant that is equipped with every device known to the art. Every step in the process of malting and manufacture is watched most carefully by men of broad experience, under the supervision of a chief chemist. Great care is exercised to have every kernel thoroughly malted, producing a liquid food, tonic and stimulant, requiring no digestion, in the form of a medicinal whiskey.

**TESTED OVER 50 YEARS**  
For more than half a century Duffy's Pure Malt Whiskey has been before the public, and today it is better known and more widely used than ever before. This is due to its great curative qualities and to the friends it is continually making. Professional men, business men, people in all walks of life, everywhere, use and endorse it because it has given them health, strength and vigor. Prescribed by doctors and used in hospitals everywhere. Recognized as a family medicine everywhere.

**WHAT IT DOES**  
The results accomplished by its use in cases of stomach trouble, wasting, weakening and diseased conditions are wonderful. It aids in destroying the disease germs, and by its building and healing properties restores tissues in a gradual, healthy and natural manner. In the prevention and relief of coughs, colds, pneumonia, grip, asthma, malaria and bronchitis it has no equal. It aids digestion, giving more nourishment to the body and more strength to the whole system. It makes the old feel young and keeps the young strong and vigorous.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish-American war.

The genuine is sold in SEALED BOTTLES ONLY—never in bulk. Price \$1.00 a large bottle. If your dealer cannot supply you, write to us, and we will tell you where it can be bought. Doctor's advice and an illustrated medical booklet sent free on request. The Duffy Malt Whiskey Co., Rochester, N. Y.

## KNOW THE FEELINGS TAFT IN SPEECH

Continued from page 1.)

political bosses whose political offenses smell to high heaven."

**Talks Reciprocity.**  
Mr. Knox discussed at length the record of the Republican party and reviewed exhaustively the achievements of president Taft's administration. Of reciprocity between Canada and the United States, he said that "an effort to restrain and hamper its realization will be as futile and unprofitable as were the early ruinous trade wars between the states."

"This," said Mr. Knox, "is perhaps one of the most extraordinary and antient convention caprices within the history of our party. The effort, so far has been to confuse the situation by dragging the issues with which the states alone are concerned."

Mr. Knox then proceeded to summarize and compare the claims to reform achievements of Col. Roosevelt and president Taft, asserting that the president's accomplishments far outweigh those of his predecessor.

**Roosevelt Against Roosevelt.**  
Mr. Knox quoted an eulogy of Mr. Taft by Col. Roosevelt in 1908 as an answer to the colonel's assertion that president Taft is unfit to succeed himself. He also cited passages of praise of Mr. Taft in Mr. Roosevelt's speech as temporary chairman of the Saratoga convention in 1910.

"Mr. Roosevelt," the speaker continued, "has given no coherent reason for the changing of his just appreciation of Mr. Taft's character and qualifications. The new nationalism of Mr. Roosevelt is as violent an assault upon the autonomy of the states as the new nationalism of 1851 was upon the integrity of the union," said Mr. Knox.

Who dares prophesy that the people—the patient and constructive people whose full voice is never heard except in great crises, will not when aroused to the danger of the constitutional loss of independent statehood, at as great a cost, defend the states as they did the union?"

Mr. Knox made an earnest plea that president Taft be given a second term. **Leaves for Ohio.**  
Secretary of state Knox, who practices his second preference primary campaign for president Taft here last night, left this morning after announcing that he intended to go into Ohio. He will go by way of Grand Canyon, Ariz., and expects to arrive in Ohio Tuesday night or Wednesday.

## HARMON DENIES, AND BRYAN SHOWS LETTER

Nebraskan Asserts Harmon Tried to Buy Bryan Delegates.

Columbus, Ohio, May 10.—Charges from William J. Bryan that friends of Gov. Harmon had sought to purchase Bryan-placed delegates to the 1908 convention, stirred the Ohio executive to a telegraphic denial and brought from Mr. Bryan the publication of a letter on which he says the charges were based.

The letter was made public here by Harvey Garber, who said it was addressed to state senator Frank T. Dore of Tiffin. It was signed Michael Devanney of Cincinnati, and was in part: "Cincinnati, June 13, 1908."

"Dear Sir: In conference with our mutual friend, Mr. [name], of [name], you were in touch with the two delegates from the [name] district. He advised that you see Mr. [name] of [name] and have hisse the delegate of that place whose name he did not remember and have him together with Mr. [name] to meet Mr. [name] so that arrangements may be made for the trip to Denver."

By this letter, my dear [name], you will see that I am doing nothing doing, and whilst endorsements have been given in your district, I hope that your two delegates can see their way clear to vote for Judge Harmon on the first ballot at Denver."

Mr. Garber is a member of the Democratic national committee. He is also a member of the Ohio state committee. He is also a member of the Ohio state committee. He is also a member of the Ohio state committee.

When Gov. Harmon returns from Cleveland after making an address before a reunion of foreign organizations, he will confer with his campaign managers relative to his itinerary for a tour over the state in an effort to offset the effect of Col. Bryan's attacks upon him.

Although it had not been definitely decided it was stated this evening that Gov. Harmon may spend all of next week on the stump.

## CLARK MEN NAMED IN CLOVIS MEETING

Clovis, N. M., May 10.—At the Democratic convention held here 20 delegates were elected to the state convention which meets in this city May 14, each delegate to have half a vote, this county being entitled to 10 delegates. The delegates elected were all named as follows: For Champ Clark, E. R. Hart, who is an ardent Wilson supporter. The delegates were instructed to cast their vote as a unit, and to cast it for Champ Clark.

The convention was attended by 110 county delegates and many visitors. It was a very enthusiastic meeting.

**ROOSEVELT MEN TO CONTEST TAFT DELEGATES IN CALIFORNIA.**  
San Francisco, Calif., May 10.—The fate of the Taft delegates in California to sign the preference and delegates pledges, promises an exceedingly complex situation. Roosevelt supporters have planned to contest the rights of the delegates, should they be elected.

Both sides are agreed that the Taft delegates had a legal right to sign the pledges, inasmuch as both pledged, under the law, are optional and not obligatory. Roosevelt leaders declare the purpose of the action was to save some straggling votes for Taft in the event that Roosevelt carried the majority of the districts. Had they signed the pledges, they would have been obliged to vote for Roosevelt, as the delegates had been instructed to support that candidate who shall have received the highest number of votes cast throughout the state.

against him in the letter produced by William J. Bryan.

Mr. Devanney, however, did not deny writing the letter, but said he saw it, having nothing to say until he saw it.

"When Mr. Bryan says that I attempted to purchase delegates in Ohio for Gov. Harmon," said Mr. Devanney, "he is telling a plain unvarnished lie, for never, either directly or indirectly, was any attempt made by me to purchase any delegates for anybody."
